**Parking at Ecology:** We apologize that Ecology's parking for visitors is extremely limited, especially during the current repair project for our parking garage. Please plan to carpool to the meeting if possible. When you arrive at Ecology, if there is no visitor parking available, you may park across the field behind Sawyer Hall (about a 5 minute walk to Ecology building – to get there go straight at the top of the drive). Another alternative is to park in the Top Food shopping center lot across Martin Way and walk across to Ecology. Please use the main entrance and sign in at the front desk to be directed to the meeting room: 15-16/17. Thank you.
